

TidewaterPower EquipmentCompany

Hello Honda Servicing Dealer,

Because you have completed all—or nearly all—of your Honda LMS training courses, you are eligible to attend our upcoming in-house Master Tech class.

Please note: While this training is completely optional, you must finish any remaining EN1-3 courses before you can enroll.

Available Dates & Locations:

- November 19-20th, 2026 | Greensboro, NC
- February 11-12th, 2027 | Norfolk, VA

Class Details & Perks:

- Cost: Free. Lunches are provided both days (travel and other meals are not covered).
- Availability: Strictly limited to 4-6 students per class on a first-come, first-served basis.
- Perks: Technicians who pass the in-house testing will earn free Honda merchandise, waived 2027 LMS fees for the dealership, and priority placement on the online Honda Dealer Locator.

How to Register:

1. Log into the Honda LMS/Saba site at www.myhondatraining.com.
2. Click the person icon in the top right-hand corner, then select Calendar.
3. Navigate to your preferred month, click on the class, and follow the prompts to enroll.

Registration Deadline: Please register by the Friday before your chosen class. If you need to enroll after that deadline, please email me directly so I can ensure you are added to the roster.

Best regards,

Nickki Schembari
